### Level 5 - \$250.00

Get access to the TIGERS Team Survey including premium benefits for groups of 8 to 150. The premium services include branding the survey to your company and a phone coaching debrief with a TIGERS Team Survey Specialist.

Think of a package like a bucket. In each bucket are 3 surveys for the same team. It includes a benchmark survey and two comparison surveys to track your progress over time. It's designed for teams of 8 to 150 people. This 360 team survey identifies team strengths and team development opportunities around the TIGERS 6 collaborative principles Trust, Interdependence, Genuineness, Empathy, Risk and Success so leaders have the information they need for appropriate and timely team interventions.

Valued at \$550 with the Premium Services this level also includes gift levels 1-4 for a total package gift value of \$789.

## Level 7 - \$1,000

Bring the 6 Principles That Build High Performance Teams 6-hour customized Team Building Event to your company or community (travel expenses are additional). Your team will learn behaviors that build high functioning teams and behaviors that cause predictable team breakdown. You will be able to identify team selected behavior that will build more collaboration between departments and cooperation among employees. You will develop strategies for strengthening proactive team behavior and employee engagement going forward. This workshop is appropriate for leadership strategic planning retreats, structured team building events with actionable outcomes, and for new project teams. This reward level also includes levels 1-4 for a total package gift value of \$1789.
